Audio Inlay Innerpage

Code: AIS00001

170 gsm glossy artpaper

Scale 1:1

Bleed (min. 3mm)

Design Area (Logos and text have to be placed at least 3mm inside of cutting line.)

Cutting line

Fold, perforation line

outside

Attention: please ensure the Filecode is added and clearly visible on your HiRes PDF (outside of print area). Alternatively you can upload the template PDF as part of your package.

The diagram illustrates the layout of the Audio Inlay Innerpage template. It features a central circular area with a pink starburst logo. The overall dimensions are 151mm in width and 118mm in height. A dashed red line indicates the bleed area, while a solid blue line marks the cutting line. A dashed blue line defines the design area, which must be at least 3mm inside the cutting line. A vertical dashed green line on the right side indicates a fold or perforation line. Two vertical arrows at the bottom point to the 'CLEAR TRAY TEXTBOX' and 'CLEAR TRAY' areas, both with a 10mm height. The top of the diagram is labeled 'Innerpage'.
